

## Roam Like at Home

Roam Like At Home (RLAH) legislation has been in place since 2017. It is relevant to the United Kingdom, all member countries of the European Union, plus other destinations in Europe outside of the European Union such as Norway, Iceland and Liechtenstein.

When roaming in one of the roam like at home countries you can use your domestic bundles as you would at home, meaning less risk of out of bundle charges and bill shock.

**The destinations covered by the Giacom RLAH policy are as follows::**

**Europe Zone 1:** Austria, Belgium, Bulgaria, Canary Islands, Croatia, Cyprus (excluding Turkish sector), Czech Republic, Denmark, Estonia, Finland, France, French territories (French Guiana/ Guadeloupe/Martinique/Mayotte/Reunion and Saint Martin), Germany, Gibraltar, Greece, Hungary, Iceland, Ireland, Italy (inc. Vatican City), Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, Netherlands, Norway, Poland, Portugal (inc. Madeira), Romania, Slovakia, Slovenia, Spain (inc. Balearic Islands), Sweden.

**Europe Zone 2:** Guernsey, Jersey, Isle of Man, Faroe Islands, San Marino, Switzerland.

Unlike some of our competitors, Giacom offer users access to bundles whilst in European Zone 2 despite these destinations being unregulated. Please note out of bundle call rates in EU Zones will be charged at standard roaming rates and calls between zones are not included, these would be chargeable in the same way that international calls to other zones from the UK would be.

### Out of Bundle Rates

In line with RLAH regulation our out of bundles rates whilst roaming in Europe align with what we charge in the UK. Please see our Wholesale Mobile guide for more information.

### Data Caps

Any out of bundle spend generated whilst roaming, either in Europe or rest of the world, will contribute to data cap limits where opted in.
